EDUCATION

B.Sc. Computer Science

St. Mary's University

2024 – 2028 · Addis Ababa

CERTIFICATIONS

Full-Stack Development

Mimo – Professional Certificate

Issued: October 2026

PROFESSIONAL SUMMARY

Motivated Computer Science student at St. Mary's University with hands-on experience in full-stack web development, object-oriented programming, and database management. Certified in Full-Stack Development by Mimo, with a strong foundation in Java, C++, JavaScript, React, and SQL. Eager to apply technical skills in a fully remote internship environment, contribute to real-world projects, and grow as a software developer.

PROJECTS

Developer Portfolio Website

HTML · CSS · JavaScript · React

- Designed and built a personal portfolio website to showcase projects and technical skills.
- Implemented a responsive, mobile-friendly UI using React and modern CSS techniques.
- Deployed online to provide recruiters with live access to work samples.

2026

Full-Stack Web Application

Node.js · Express.js · SQL · JavaScript

- Developed a RESTful backend API using Node.js and Express.js with SQL database integration.
- Implemented CRUD operations, user authentication, and data validation.
- Applied data structures and algorithmic thinking to optimize query performance.

2026

WHAT I BRING TO A REMOTE TEAM

- Strong self-discipline and ability to work independently in a remote environment.
- Solid computer science fundamentals including data structures, algorithms, and OOP.
- Full-stack capabilities — comfortable working on both frontend and backend tasks.
- Eagerness to learn new technologies, take feedback, and grow within a team.
